

PPG meeting 16.6.2025

Present: Keith Hudson, Graham Kalko, Angela Macca, Mike Garlick, Dr Watt, John Jones

Apologies: Emmanuel Haven, Sheila Barr, Steven Arnold-Cowell

1. Progress with collective action – Joanne explained that they were awaiting developments at national level
2. Difficulty in getting blood tests _ Joanne explained that regular annual blood tests would all be done during the anniversary month in which you were born.
3. Extended access remote appointments – Joanne Explained how this would work at GOMC
4. Online Total Triage for getting appointments as of 1st August – Joanne explained the benefits of how this was going to work. There was considerable discussion of the pros and cons of this system, and the development is awaited with some trepidation!
